

College of Southern Maryland A.A.S Transfer Plan

A.A.S. in Medical Laboratory Technology to BS in Medical Laboratory Science

This transfer plan is intended for students pursuing an A.A.S. in Medical Laboratory Technology at College of Southern Maryland who are interested in pursuing a B.S. in Medical Laboratory Science at Stevenson University. The equivalencies below demonstrate how a student can meet both the requirements of the associated degree and prepare for a seamless transfer to Stevenson.

- x Only courses that have course equivalencies are displayed. This guide does not show all transferable courses from this college. It also does not display all Stevenson University courses that will fulfill a specific requirement.
- x Program requirements must be completed with a grade of C or better, and general education courses must be passed with a grade of D or better with the exception of College Composition.
- x Stevenson University will accept up to 70 credits from 2-year institutions. Up to 90 credits can be applied to degree requirements from a combination of 2-year institutions, 4-year institutions, and non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores). For additional information about credit transfer, please see <https://www.stevenson.edu/admissionaid/getting-started/transfer-students/>
- x For scholarship information please see
